We believe that...

**Access to the Internet must be available
for all individuals, households, and
communities in the United States of
America.**

Benefits of the Internet

- Job Opportunities
- Wage Increase
- Economic Growth
- Easy Access to Information
- Connectivity

Factors of Digital Divide

- Age
 - Older vs Younger Generations
- Community
 - Rural vs Urban Community
- Income
 - Low-to-Moderate Income vs High Income

Solutions

- Property Taxes
- Cyber Cafes
- Digital Literacy Courses
- Municipal Wireless Network
