Project Team: Tricycle

Emma Enix, Jaleel Rogers and Caden Walker

ELEVATING FINANCIAL CAPABILITY FOR ALL
Improving Transportation Through Technology

Team Tricycle: Emma Enix, Jaleel Rogers, Caden Walker
Our Team of Researchers Believes That...

- Technology X Transportation
- Rural and Low-to Moderate-Income Communities
- Reach destination faster
- Increase financial capability
Why Should We Care?

- Union county has a per capita income of $20,396
- Job opportunities in urban areas
Public Transportation

- Lynx
  - Night Shift Workers

- SunRail
  - Weekends
  - Holidays

- Downtown Orlando
Private Transportation

- For-profit passenger train companies
  - Amtrak has many routes and stations
  - Virgin Trains USA is constructing a system from Orlando to Miami
- Incentives for private companies
Private Transportation

- Driverless cars can provide efficient transportation
  - Contactless delivery
  - Convenient
- Loans for LMI & rural communities
Toll Roads and Highways

- Issues with public sector
- I-4 Ultimate
- Success with private sector
- COVID-19 Relief
- Concerns with privatization
Team Tricycle Recommendations

- Expansion of SunRail and Lynx
- Privatization of passenger trains
- Financing vehicle solutions
- Privatization of toll roads
Thank You
